# Blessed Sacrament Family Support Fund

Profits from this year's golf tournament will be directed towards our **parish's Family Support Fund**. The Family Support Fund is used to help distressed individuals and families cope with unexpected emergencies, such as, utilities, food and rent. This parish fund exists to help families in difficult and unforeseen circumstances; to help bridge the gap between income and expenses as a family struggles to make ends meet due to unexpected job loss, sudden severe health issues, familial breakdown or another difficult occurrence so unique one can't even guess what it might be. If an unforeseen circumstance hits one of our parishioners... our parish may be able to help.
